NEW ORLEANS, LA

CREATIVATION BY NAMTA

EXHIBITOR PROSPECTUS

Namta is not just for fine art materials – we are the home for crafts, too!

2024 NEW ORLEANS, LA CREATIVATION BY NAMTA

LET'S GET CREATIVE TOGETHER

Join us in New Orleans, LA and let's grow creatively together at **CREATIVATION BY NAMTA 2024**.

This new conference and trade show will attract a larger and wider audience than ever before! You don't want to miss out exhibiting on the show floor with products covering both the fine arts and creative materials industries. In addition to the demos and extensive exhibitors on the trade show floor, you will also have the opportunity to participate in engaging networking sessions and robust education programming. There's only one place to be **March 23 - March 27, 2024** and that's in New Orleans at **CREATIVATION BY NAMTA 2024**.

Please Note: This is not our normal schedule pattern. Education will open Saturday, March 23 - Sunday, March 24 and the trade show will open Monday, March 25 - Wednesday, March 27.

2024 NEW ORLEANS, LA CREATIVATION BY NAMTA FLOOR PLAN

New Orleans Ernest N. Morial Convention Center Hall F

This is the original floor plan. For current availability, please refer to the floor plan at namta.org. Show Management reserves the right to locate an exhibitor's booth space based on the exhibitor's priority points, type of display and overall demands. Show Management will, however, use its best efforts to honor an exhibitor's preferences.

Every effort has been made to ensure the accuracy of all information contained on this floor plan. However, no warranties, either expressed or implied are made with respect to this floor plan. If the location of building columns, utilities or other architectural components of the facility is a consideration in the construction of an exhibit, it is the sole responsibility of the exhibitor to physically inspect the facility to verify all dimensions and locations.

BOOTH OPTIONS

SINGLE BOOTH

All 10' x 10' booths have 8' high draped back walls and 3' high draped side rails. Side rails may be 8' in height, but are not to extend out by more than 5' from the back wall. The remaining distance to the aisle cannot exceed 3' in height. Displays, including fixtures, are restricted to a maximum height of 8' and must conform to booth space and sidewall restrictions.

ENDCAP BOOTH

An endcap has exposure on three sides and contains **two booths**. The back wall of an endcap booth is restricted to 8' high for only half the dimension, or 10' from the center point. The remaining back wall is 3' high. Booth set-up must adhere to the same restrictions. Displays, including fixtures, are restricted to 8' maximum height. Any variations must be submitted to show management for written approval.

PENINSULA BOOTH

A peninsula has exposure on three sides and contains a **minimum of four booths**. The back wall for peninsula booths is restricted to 8' high for only half the dimension, or 10' from the center point. The remaining back wall is 3' high. Booth set-up must adhere to the same restrictions. Displays, including fixtures, are restricted to 8' maximum height. Any variations must be submitted to show management for written approval.

ISLAND BOOTH

An island has exposure on all four sides, **contains a minimum of four booths and is not connected to any other booths**. Displays, including fixtures, must adhere to a maximum height of 10'. No perimeter wall can be completely solid; a line of sight must be maintained. There are restrictions on walls and obstructions (see [Exhibitor Rules & Regulations](#)). Any variations must be submitted to show management for written approval.

CORNER BOOTH

A corner booth has **exposure on 2 sides**. An additional surcharge applies. See Booth Pricing.
